Agenda: Tuesday, Feb. 9, 2021, meeting of BREA, 1:00 EST via Zoom

1. Special presentation by John Hill via ZOOM. Summary of recent research activities at BNL aimed at fighting the Covid19 pandemic.

After item 1 we will begin the BREA business
meeting using second ZOOM invitation.

2. Call to order. Arnie Moodenbaugh.

4. Minutes. The minutes of the January meeting were recorded by Liz Seubert, substituting for Laura Miller, who had another obligation. Minutes were revised and approved by BREA officers, and sent for publication on the BREA website.

4. Treasurer Report. Les Fishbone sent copies of the full Treasurer report to Arnie Moodenbaugh for backup record-keeping. January minutes suggest we did not vote to approve those minutes. We should vote on acceptance of January and February minutes.

5. Membership Report. Beth Yu Lin. Beth and Arnie plan to send a prod letter to members who have not renewed membership. Beth sent Arnie list to prod, but he hasn't generated the letter. We should discuss better methods of reminding members to renew.

6. Newsletter. Mona Rowe will report on items to be reported in the Mar/Apr BREA News.

7. Community Advisory Council. Mark Israel will report if any CAC activity.

8. BNL operations continue in Phase 2. Retirees are not allowed on the BNL site, with only minor exceptions.

9. Fraudulent Unemployment Insurance Claims. HR contacted Arnie Moodenbaugh to alert BREA members of the possibility that Unemployment claims may have been submitted fraudulently in their name. Unemployment claim security was loosened early during the pandemic. It was suggested that opening an on-line account at the Social Security Administration website would be a way to deter this kind of fraud on your record. Also, you could review your credit record for signs of fraud.

10. New Business.

11. Adjournment.
